

### Courses organization

#### 60 HOURS of FRENCH COURSES

51 hours of classes and 9 hours of seminars spread out over 3 weeks, from the 5th of July 2012 to the 26th of July 2013. Each student will be able to benefit from the Language Resource Center (CRL) which allows them to learn or to improve their French skills. The CRL is a multimedia computer facility where students work interactively with computer, helped and supervised by a tutor.

### Required Level of French

Based on the CEF (Common European Framework). On demand, it would be possible to open a group for the A1 level.

The placement testing will take place on the 8th of July. The groups in each level are of about fifteen students. You will receive a course certificate at the end of the programme.

### Organisation des activités

- Cultural and leisure activities (The schedule will be available later).
- The University Library will be open until the 19th of July 2013.
